

MARRIAGE MENTOR INTERVIEW TOPICS

- This is not an interview to determine if you are acceptable as a mentor. We are seeking to get to know you better so we can assign mentoree couples more effectively.
- Why do you want to be a marriage mentor? What are your personal goals?
- Where on the marriage mentoring triad do you see yourself as most effective?
- Tell us how you are growing as a couple: relationally, spiritually.
- How do you feel about mentoring couples more senior than yourself?
- Are there any areas in the questionnaire that are a "no go" for you, e.g. homosexuality, infidelity?
- How do you deal with the enemy's attacks against your marriage?
- What are you currently doing to keep your marriage growing?
- What book have you read or seminar you attended had the greatest impact on your marriage? How are you applying what you learned?
- What do you see as your greatest strength that you bring to the mentoring relationship?
- Go over questionnaire and discuss anything you deem pertinent to get additional information, especially the challenges they've overcome.
- What changes or additions would you recommend on the questionnaire?
